## MOLINUM (APRIL 2013), RECOMMENCEMENT

The journal Molinum is initiating a new era, in which it will graduate from a newsletter to a full-fledged, bi-monthly on-line scientific and cultural journal.

Félix Pinto Martín, who will continue to be the editor-in-chief, will head a new multi-disciplinary team: Ágata Marquiegui Soloaga (architect and geographer), Noemí García Jiménez (biologist), Javier Revilla Casado (historian and author of the blog “Patrimonio Industrial Harinero”) and Diana Sánchez Mustieles (PhD. architecture).

This issue carries an interview with Bernardo Revuelta Pol, Director of the Fundación Juanelo Turriano.

Molinum is published by the Asociación para la Conservación y Estudio de los Molinos (ANEM, association for the conservation and study of mills), currently presided by Antxon Aguirre Sorondo, member of the [Fundación Juanelo Turriano](#)'s Advisory Commission.
