NEW PERAL ROOM AT CARTAGENA NAVAL MUSEUM

The new Peral Room at the Cartagena Naval Museum, specifically designed to exhibit the homonymous submarine, will open to the public on 12 September next. [Fundación Juanelo Turriano](#) played an instrumental role in the recovery of this historic vessel.

BOOK PRESENTATION: SUBMARINO PERAL

Cartagena will be hosting a conference series, among a number of other events, on the occasion of the 125th anniversary of the launch of the submarine designed and built by Isaac Peral. In the first of these conferences, to be delivered on 12 September at 8:00 PM, Juan Ignacio Chacón Bulnes will present his book entitled **Submarino Peral. Día a día de su construcción, funcionamiento y pruebas** (Peral submarine. Day-to-day account of its construction, operation and testing), published by [Fundación Juanelo Turriano](#) and awarded the 6th García-Diego Prize.
