BOOK ON ROMAN ENGINEERING NOW POSTED IN THE DIGITAL LIBRARY

The first title in the collection **Lecciones Juanelo Turriano de Historia de Ingeniería** (Juanelo Turriano lessons on the history of engineering) is now available in the [Fundación Juanelo Turriano Digital Library](#). The book reproduces the conferences delivered in Segovia on the occasion of the 2012 course on Roman engineering entitled “**That the greatness of the empire might be attended with distinguished authority in its public buildings**”, jointly organised by UNED and [Fundación Juanelo Turriano](#).

Access the book [here](#).
